

## VIZA

The VIZA is a portable system for the "On The Go" musician with 4 mic and line channels, 3 band channel EQ, 100 watts x 2 power, 5 band graphic EQ, and 16 digital effects with an LED display. Each speaker has an 8" woofer and piezo tweeter. Mixer and speakers can be stand mounted. When it's time for the next show, it locks into a pullman style package, ready to roll.
